ABOUT BRITTANY

Meet Brittany Traylor, the unstoppable powerhouse who conquered adversity and journeyed from German foster care to founding a million-dollar business in the US. As a CEO with a driver's seat perspective, Brittany revolutionized transportation operations by connecting the missing dots. Embracing AI-assisted best practices, she crafted a win-win scenario, proving that simplicity is at the heart of genius solutions.

ABOUT TRAYLORTRANSPO

A FREIGHT BROKERAGE WEAVING DIVERSITY, EQUITY, AND INCLUSION INTO ALL WE DO

We aim to grow into the main transportation provider in the Southern states for Power Only Transportation needs. Our Vision is to empower those who require transportation services by providing streamlined and cost-effective pricing solutions through state-of-the-art technology, owned vehicles and partner Carriers with well defined lanes. We're focused on long term goals that provide worthwhile opportunities for diverse demographics across the globe.
